

NIGHT BREAKER LED C5W ECE

NIGHT BREAKER LED C5W ECE

ECE Street-Legal¹⁾

Fully homologated in accordance with ECE R37 and therefore approved in all ECE member states

Approved for all 12V vehicle models¹⁾

Approved for all 12V vehicle models for all lighting functions in which a C5W bulb is in use

Up to 5 times longer lifetime³⁾

Vibration resistant, environmentally friendly, and cost-efficient

Cool white & 6000K

The perfect match. Modern and intense white light with a color temperature similar to daylight

A revolutionary development in the retrofitting lamp sector. The new ECE street legal NIGHT BREAKER LED C5W ECE

Innovation meets sophisticated simplicity.

OSRAM's new NIGHT BREAKER LED C5W ECE is fully homologated according to ECE R37 and consequently approved for all 12V vehicles in all ECE member states for all light functions where a C5W is applicable as a suitable replacement¹⁾. It has never been so convenient to convert from halogen to LED. The lamp's ECE R37 homologation eliminates the need for matching headlamp approval numbers, carrying official approval documents, or applying stickers. One lamp, multiple applications. With their universal polarity and wide range of applications, they can be used as a replacement for interior lighting, reading lights, door lighting, side marker lights, entry lighting, license plate lighting, and in any other application where the C5W can be required. Versatile LED Upgrade with harmonized performance.

The OSRAM NIGHT BREAKER LED C5W ECE delivers an extra bright²⁾, cool white light with a color temperature of up to 6000 Kelvin, offering a sleek, modern appearance. It is designed to work in perfect harmony, as an ideal complement and a perfect addition with OSRAM's NIGHT BREAKER LED range for low beam, high beam, and fog light applications as a comprehensive LED light upgrade but for sure can also serve as a high-performance standalone upgrade. Sustainable Illumination. Compared to traditional signal lamps, the NIGHT BREAKER LED C5W ECE

consumes up to 80% less energy³⁾, contributing to enhanced fuel efficiency. Its service life — up to five times longer — significantly reduces maintenance intervals and material consumption, resulting in lower waste generation. Supplied in plastic-free packaging, the product promotes resource conservation throughout its entire lifecycle. Engineered to endure. OSRAM products are innovative and technologically high-quality products that are carefully tested and subject to the strict monitoring undertaken by the OSRAM quality assurance system. Therefore, OSRAM offers a dedicated guarantee on all NIGHT BREAKER LED retrofit lamps⁴⁾. Ready to replace. You can now replace your conventional vehicle lamps with OSRAM's revolutionary NIGHT BREAKER LED retrofit lamps and experience trend-setting simplicity with ECE-road approval.

Product family datasheet

Technical data

Product description	Product information	Electrical Data			
	Application (Category and Product specific)	Nominal voltage	Power input	Test voltage	Nominal wattage
NIGHT BREAKER LED C5W ECE	Position light, Interior light	12 V	1 W	13.5 V	0 W

Product description	Photometric Data			Physical Attributes & Dimensions	
	Light color LED	Nominal luminous flux	Luminous flux tolerance	Lamp base	Diameter
NIGHT BREAKER LED C5W ECE	Cool white	45 lm	±25 %	SV8.5-8	11.0 mm

Product description	Length	Lifetime Data		Capabilities	Certificates & standards
		Lifespan Tc	Lifespan B3	Technology	Standards
NIGHT BREAKER LED C5W ECE	36.0 mm	3000 hr	1500 hr	LED	ECE R37

Product description	Environmental & Regulatory Information Information according Art. 33 of EU Regulation (EC) 1907/2006 (REACH)	
	Primary article identifier	Declaration no. in SCIP database
NIGHT BREAKER LED C5W ECE	4062172425162	In work

Safety advice

Application advice:

For more detailed application information and graphics please see the product datasheet, user manual and specification list

Legal advice

- 1) Homologated in accordance with the applicable UN ECE R37 regulations
- 2) Compared to the minimum requirements of ECE R112
- 3) In comparison to traditional Halogen lamps
- 4) For precise conditions please refer to: www.osram.com/am-guarantee

Application advice

For more detailed application information and graphics please see product datasheet.
